Terms & Special Notes:

1. Quotation validity is 45 days from the quotation issuance date. If client agree with the quotation, please return the "Acceptance Slip" attached to CyberSecurity Malaysia within the validity period.
2. Certification project should start within 90 days from the date Acceptance Slip is received.
3. CyberSecurity Malaysia also reserves the right to revise the quotation if it is subsequently determined that the scope to be covered is different from the information received.
4. Incidental expenses are inclusive of travelling expenses, meals and accommodation where applicable.
5. Payment is due 30 days from invoiced date.
6. Additional audit fees shall be charged for additional audit required arising from the conduct of audit, surveillance, renewal, etc. These fees will be invoiced separately upon completion of the audit work done.
7. Clients shall bear any late notification cost for changing of audit date where applicable i.e transportation and accommodation.
8. Please refer to our terms of service available at <http://csm27001.cybersecurity.my/tos.html> for information regarding issuing, maintaining, extending, suspending, renewing and withdrawing certification including handling of resolution for complaints, appeals and dispute.
9. For bank-in, please enclose a copy of the bank slip or fax it to us at +603-8945 3205. Please attention it to the CSM27001 Scheme Manager.
